**INVITATION TO TENDER**

**Background**

The Kenya Cereal Enhancement Programme-Climate Resilient Agricultural Livelihoods Window (KCEP-CRAL) is a partnership between the Government of Kenya (GOK), European Union (EU) and International Fund for Agricultural Development (IFAD) through a loan and grant resources from the Adaptation of Smallholder Agricultural Programme (ASAP). The overall development goal of the Programme is to contribute to the reduction of rural poverty and food insecurity of smallholders in the Arid and Semi-Arid Lands (ASALs) by developing their economic potential while improving their natural resources management capacity and resilience to climate change.

The Programme invites interested and eligible firms legally registered and Licensed with the National Construction Authority (NCA) to participate and submit sealed bids for the purposes of bidding for the tenders below.
