

National Drought Management Authority

TENDER NOTICE

The National Drought Management Authority (NDMA) is a public body established by the National Drought Management Authority (NDMA) Act, 2016. The Act gives the NDMA the mandate to exercise overall coordination over all matters relating to drought risk management and to establish mechanisms, either on its own or with stakeholders, that will end drought emergencies in Kenya.

The Kenya Government has received financing from the International Fund for Agricultural Development (IFAD) through Financing Agreement between Government of Kenya and IFAD comprising a loan from IFAD, a grant from the Adaptation for Smallholder Agriculture Programme (ASAP) Trust Fund and a grant from the European Union (EU) represented by the European Commission (EC) through a contribution agreement between IFAD and EC in order to implement the Kenya Cereal Enhancement Programme (KCEP – Climate Resilient Agricultural Livelihood window (KCEP-CRAL)).

National Drought Management Authority now invites applications for tenders from interested and eligible contractors for the below tenders:
